# Memorandum

TO : INR/OIL/OR - Mr. Eric Henderson

DATE: June 7, 1973

FROM : EB/OCA/REP - Wayne R. Appleman *WRA*

SUBJECT: Congressional Inquiry on Public Works Around the World

In accordance with our telephone conversation this morning, I am attaching a list of public works projects on which we are providing information to the House Public Works Committee. Any unclassified photographs which you may be able to provide for inclusion with our material would be greatly appreciated.

We have queried about 20 posts directly and I will see that you receive copies of any photos they forward along with the requested information.
